Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner indicated that the amended claims may be allowable in regards to applicant's arguments and over prior art. The examiner suggested that the new claims that have been added be cancelled. Mr. Glazer responded the next day after he had consulted with the applicant(s) stating that he would cancel claims 45-59 and 66-73. Although claims 60-65 are newly added claims, these claims depend onto the allowable claims and therefore will not be cancelled..
